

Article XI, Commissioner Discipline

the NFLPA may also participate in such hearing and represent the player. In any such hearing, a Club representative may be accompanied by counsel of his choice. A representative of the Management Council may also participate in such hearing and represent the Club. The NFLPA and Management Council have the right to attend all hearings provided for in this Article. At the hearing, the player, the NFLPA and the Management Council will have the right to present, by testimony or otherwise, any evidence relevant to the hearing. All hearings shall be transcribed.

Section 4. Costs: Unless the Commissioner determines otherwise, each party will bear the cost of its own witnesses, counsel and the like.

Section 5. One Penalty: The Commissioner and a Club will not discipline a player for the same act or conduct. The Commissioner's disciplinary action will preclude or supersede disciplinary action by any Club for the same act or conduct.

Section 6. Fine Money: Any fine money collected pursuant to this Article will be contributed to the Brian Piccolo Cancer Fund, the Vincent T. Lombardi Cancer Research Center, ALS Neuromuscular Research Foundation, and the NFLPA Players Assistance Trust ("P.A.T."). Any such fine money shall be allocated equally among the four (4) organizations mentioned in the preceding sentence.

ARTICLE XII INJURY PROTECTION

Section 1. Qualification: A player qualifying under the following criteria will receive an injury protection benefit in accordance with Section 2 below:

(a) The player must have been physically unable, because of a severe football injury in an NFL game or practice, to participate in all or part of his Club's last game of the season of injury, as certified by the Club physician following a physical examination after the last game; or the player must have undergone Club-authorized surgery in the off-season following the season of injury; and

(b) The player must have undergone whatever reasonable and customary rehabilitation treatment his Club required of him during the off-season following the season of injury; and

(c) The player must have failed the pre-season physical examination given by the Club physician for the season following the season of injury because of such injury and as a result his Club must have terminated his contract for the season following the season of injury. This pre-season physical may be given by the Club physician prior to the beginning of pre-season camp, so long as such fact is clearly communicated to the player at the time of the physical exam. The past understanding of the parties concerning a Club releasing a player who otherwise qualifies under (a) and (b) above prior to the pre-season physical examination will apply during the term of this Agreement (see Appendix B).

Section 2. Benefit: Effective after the execution of this Agreement, a player qualifying under Section 1 above will receive an amount equal to 50% of his contract salary for the season following the season of injury, up to a maximum payment of \$225,000 for the 2002 League Year, \$250,000 for the 2003-05 League Years, and \$275,000 for the 2006-07 League Years. A player will receive no amount of any contract covering any season subsequent to the season following the season of injury, except if he has individually negotiated injury protection into that contract. The benefit will be paid to the player in equal weekly installments commencing no later than the date of the first regular season game, which benefit payments will cease if the player signs a contract for that season with another Club. A player will not be entitled to such benefit more than once during his playing career in the NFL, and such benefit shall be reduced by any salary guaranteed to the player for the season following the season of injury.

* Extension Agreement 1/8/02

Section 3. Disputes: Any dispute under this Article will be processed under Article IX (Non-Injury Grievance). In any grievance in which the NFLPA or a player is claiming an injury protection benefit, the NFLPA or the play-

Article XII, Injury Protection

er may contend that the player should not have passed the preseason physical examination given by a Club following the season of a player's injury. In any such grievance, the NFLPA or the player may introduce evidence from a physician selected by and paid for by the player regarding the player's physical condition at the time of the Club's preseason physical exam, provided that such physician conducted his examination of the player within fourteen days of the player's contract termination, but no later than the date of the first preseason cutdown. Any such evidence will be considered with the evidence from the Club physician, and the arbitrator shall give no special deference to the evidence presented by either physician. If the NFLPA prevails in such a grievance, then the requirements of Section 1(c) above shall be deemed to have been satisfied.

ARTICLE XIII COMMITTEES

Section 1. Joint Committee:

(a) A Joint Committee on Player Safety and Welfare (hereinafter the "Joint Committee") will be established for the purpose of discussing the player safety and welfare aspects of playing equipment, playing surfaces, stadium facilities, playing rules, player-coach relationships, and any other relevant subjects. The Joint Committee will consist of six members: three Club representatives (plus advisors) and three NFLPA representatives (plus advisors). The Joint Committee will hold two regular meetings each year on dates and at sites selected by the Committee. Special meetings may be held at any time and place mutually agreeable to the Committee. The Joint Committee will not have the power to commit or bind either the NFLPA or the Management Council on any issue. The Joint Committee may discuss and examine any subject related to player safety and welfare it desires, and any member of the Committee may present for discussion any such subject. Any Committee recommendation will be made only to the NFLPA, the Management Council, the Commissioner, or any appropriate committee of the NFL; such recommendation will be given serious and thorough consideration.

(b) The Joint Committee may employ consultants to assist it in the performance of its functions; the compensation and expenses of any such consultants will be paid in such manner as the Committee decides. The respective members of the Joint Committee will be selected and the length of their terms fixed under such rules as the NFLPA and the Management Council separately establish; the original appointees on the Committee will be selected within thirty (30) days following the execution of this Agreement. The NFLPA and the Management Council agree that a task for the Joint Committee to undertake promptly upon the execution of this Agreement is a review of all current materials on the player safety aspects of player equipment, playing surfaces, including artificial turf and other safety matters.

(c) Immediately following the NFL annual meeting, the NFLPA will be given notice of all proposed playing rule changes, either tentatively adopted by the Clubs or put over for further consideration at a later league meeting. If the NFLPA believes that the adoption of a playing rule change would adversely affect player safety, then within seven (7) days of receiving such notice the NFLPA may call a meeting of the Joint Committee to be held within one (1) week to discuss such proposed rule change. Within five (5) days after such meeting, if the NFLPA continues to believe that the adoption of a playing rule change would adversely affect player safety, the NFLPA may request an advisory decision by one of the arbitrators designated in Article IX (Non-Injury Grievance). A hearing before such arbitrator must be held within seven (7) days of the Joint Committee meeting and the arbitrator must render his decision within one (1) week of the hearing.

Article XIII, Committees

No such playing rule change will be made by the Clubs until after the arbitrator's advisory decision unless the arbitrator has not rendered his decision within one (1) week of the hearing. The arbitrator's decision will be advisory only, not final and binding. Except as so limited, nothing in this section will impair or limit in any way the right of the Clubs to make any playing rule change whatsoever.

(d) *The NFLPA shall have the right to commence an investigation before the Joint Committee if the NFLPA believes that the medical care of a team is not adequately taking care of player safety. Within 60 days of the initiation of an investigation, two or more neutral physicians will be selected to investigate and report to the Joint Committee on the situation. The neutral physicians shall issue a written report within 60 days of their selection, and their recommendations as to what steps shall be taken to address and correct any issues shall be acted upon by the Joint Committee.*

** Extension Agreement 1/8/02*

Section 2. Competition Committee: The NFLPA will have the right to appoint two persons to attend those portions of the annual meeting of the NFL Competition Committee dealing with playing rules to represent the players' viewpoint on rules. One of the appointees shall have a vote on all matters considered at the meeting which relate to playing rules. The NFLPA appointees will receive in advance copies of all agenda and other written materials relating to playing rules provided to other Committee members.

Section 3. Player/Club Operations Committee:

(a) A Player/Club Operations Committee (hereinafter the "Operations Committee") shall be established for the purpose of examining issues arising with respect to the implementation of this Agreement. The Operations Committee may discuss and examine, and jointly decide, any such issues; provided, however, that any consideration by the Operations Committee shall not delay any grievance or other procedure under this Agreement, unless the Committee jointly decides otherwise.

(b) The Operations Committee will consist of up to six (6) members: the Executive Vice President for Labor Relations of the NFL and a maximum of two (2) Club representatives (plus advisors), and the Executive Director of the NFLPA and a maximum of two (2) NFLPA representatives (plus advisors). The respective additional members of the Operations Committee will be selected and the length of their terms fixed under such rules as the NFLPA and the Management Council separately establish; the original additional members on the Operations Committee will be selected within thirty (30) days following the execution of this Agreement. An equal number on each side shall sit on all matters, and the Committee shall jointly decide whether the Committee shall sit with two (2), four (4) or six (6) members on any given matter. The Operations Committee will hold meetings on dates and at sites mutually agreeable to the Committee members.

ARTICLE XIV NFL PLAYER CONTRACT

Section 1. Form: The NFL Player Contract form attached hereto as Appendix C will be used for all player signings. This form cannot be amended without the approval of the Management Council and the NFLPA.

* [U]se [of] one contract form for a multiyear deal between a player and a club (as opposed to using a series of one-year contract forms as in the past) does not expand the period of time for which a club is obligated to provide an injured player with medical and hospital care... [W]e agree that Paragraph 9 of the new NFL Player Contract gives the same coverage in this respect as Paragraph 9 of the old form.

*Side Letter 8/4/93

Section 2. Term: The NFL Player Contract shall be modified to expire on the last day of the last League Year subject to such Contract.

Section 3. Changes:

(a) Notwithstanding Section 1 above, changes may be agreed to between a Club and a player in a player's contract or contracts consistent with the provisions of this Agreement and the Settlement Agreement.

(b) The NFL Player Contract shall be modified to provide that, other than any rights the player may have as a member of the class in White v. NFL, No. 4-92-906 (D. Minn.) to object to the Settlement Agreement during its review by the District Court, the player waives and releases any claims: (i) arising out of, related to, or asserted in that action; and (ii) for conduct engaged in pursuant to the Settlement Agreement during the express term of the Settlement Agreement.

(c) Any waiver and release included in the NFL Player Contract pursuant to this Article does not supersede and is subject to the provisions set forth in Article XXVI (Termination Prior to Expiration Date) of the Settlement Agreement, and Article LVIII (Duration of Agreement) of this Agreement. Specifically, in the event that the Settlement Agreement is terminated, not approved or invalidated on appeal, pursuant to Article XXVI (Termination Prior to Expiration Date) of the Settlement Agreement, any such waiver and release shall remain or not remain in effect to the extent that the releases and covenants not to sue set forth in Article XIX (Releases and Covenants Not to Sue) of the Settlement Agreement remain or do not remain in effect. Except in the circumstances described in the preceding sentence, this subparagraph shall not affect the validity or enforceability of any release and waiver contained in a Player Contract.

Section 4. Conformity: All Player Contracts signed prior to the execution of this Agreement and in effect during the term of this Agreement shall be deemed amended in such a manner to require the parties to comply with the mandatory terms of this Agreement and the Settlement Agreement.

** With respect to any League Year subsequent to the 2001 League Year, if an incentive or Roster Bonus is earnable on a specific date, or if a voidable, buyback, or Club option is conditioned upon the player's being on the Club's roster on a specified date (or sets forth a specified date upon which, or before which, the player or Club is required to provide notice of an intent to exercise, or to exercise, the voidable, buyback, or Club option), it shall be treated as follows:*

(a) The NFLPA and the Management Council shall determine a date that is not less than sixty days before the Monday preceding that year's College Draft (the "Measuring Date").

(b) The specified date shall be moved so that it falls on, before or after the commencement date of that League Year by the same number of days that the specified date falls on, before or after the Measuring Date described in (a) above.

If such an "event" is scheduled for a specified date between the Super Bowl and the day preceding the Measuring Date, it shall be moved so that it falls the same number of days before the start of the League Year that the specified date falls before the Measuring Date. If such an "event" is scheduled for a specified date between April 2 and the day preceding the subsequent Super Bowl, the specified date shall not be moved.

If any NFL Player Contract sets forth a specific date (e.g., "February 14, 2002") or describes a specific day (e.g. "last day of the 2001 League Year") upon which, or before which, the Player is required to provide notice of an intent to exercise, or to exercise, a voidable affecting the following League Year or upon which an NFL Player Contract affecting the following League Year shall void automatically, and if such date or day would, as a result of this agreement, otherwise be moved to a date or day falling on or after the last day of the period for designation of Franchise and Transition Players, then such date or day shall be moved to the twelfth day of the designation period (e.g. February 18 in the 2002 League Year). If any voidable is moved in accordance with this paragraph, then any corresponding buyback affecting the following League Year shall also be moved so that it falls the same number of days on, before or after the twelfth day of the designation period that it fell on, before or after the date or day specified for the

voidable in the original Player Contract. Not later than February 8 of each League Year, the Management Council shall provide the NFLPA with a list setting forth the name of each player who has a right affecting the following League Year if such right is to be moved in accordance with this paragraph. No player's right shall be moved in accordance with this paragraph unless such player's name is set forth in said list; however, the Club may designate any such player as a Franchise or Transition Player on a conditional basis within the prescribed designation period notwithstanding any failure by the Management Council to include the player's name on the above-described February 8 list. In the event such an omitted player elects to exercise his right of termination affecting the following League Year on the date prescribed in his contract, no further action need be taken by the designating Club to perfect its designation right, and the Club's conditional designation shall be deemed effective on an unconditional basis as of the date and time it was originally made.

The preceding paragraphs apply only to Player Contracts executed before March 2, 2001 and do not apply to Player Contracts executed on or after that date. The NFLPA and the Management Council will reach an agreement as to the appropriate treatment of all other contractual rights in Player Contracts executed before March 2, 2001, to ensure that such rights remain exercisable in the League Year intended by the parties to the relevant NFL Player Contract. If the parties fail to reach agreement, the Special Master shall decide the League Year intended by the parties to the NFL Player Contract.

* Side Letter 1/22/01

Section 5. General:

(a) Any agreement between any player and any Club concerning terms and conditions of employment shall be set forth in writing in a Player Contract as soon as practicable. The League shall provide to the NFLPA a copy of each executed Player Contract it receives from a Club within two business days of its receipt of such Player Contract. The League shall provide to the NFLPA any salary information received from a Club which is relevant to whether such Player Contract complies with Article XVII (Entering Player Pool) and/or Article XXIV (Guaranteed League-wide Salary, Salary Cap & Minimum Team Salary), within two business days following the NFL's receipt of such information.

* In order to assist the efficient operation of the Salary Cap, with respect to each Player Contract executed after

Article XIV, NFL Player Contract

the date of this letter: (i) each Club shall provide to the NFL Management Council ("NFLMC") a copy of each such Player Contract within two days of the execution of such contract by the player and the Club; (ii) notwithstanding Article XIV, Section 5(a) of the CBA, the NFLMC shall provide a copy of each such Player Contract to the NFLPA within two days of its receipt by the NFLMC; and (iii) the NFLMC shall provide to the NFLPA as soon as reasonably practicable a copy of any page of each such Player Contract that has on it the signature of the player's representative if such copy has not already been provided to the NFLPA by the NFLMC. It is anticipated that each Club will send a copy of each such Player Contract to the NFLMC by overnight mail the day it is so executed, and the NFLMC will send a copy of such copy to the NFLPA by overnight mail the day it [is] so received.

*Side Letter 5/24/95: Sec. 13

* In the event that an Unrestricted Free Agent signs a Player Contract with a Club other than his prior Club between July 5 and July 15, the Player or his Agent shall promptly notify the Players Association, which will promptly notify the NFL Management Council in writing, and the New Club shall promptly notify the NFL Management Council, in writing, of such signing. If neither the NFL Management Council nor the Players Association has received any such written notice prior to midnight on July 15, such Player Contract shall be deemed not to have been signed within the signing period prescribed by Article XIX, Section 1(b)(i) of the CBA.

*Side Letter 3/3/97: Sec. 2

(b) Any agreement between any player or Player Affiliate and any Club or Club Affiliate providing for the player to be compensated by the Club or Club Affiliate for non-football-related services shall be set forth in writing and disclosed and provided to the League within five business days of the execution or making of the agreement. The NFL shall provide such information to the NFLPA within two business days of the receipt of such information.

(c) No Club shall pay or be obligated to pay any player or Player Affiliate (not including retired players) other than pursuant to the terms of a signed NFL Player Contract or a contract for non-football related services as described in Section 5(b) above. Nothing contained in the immediately

preceding sentence shall interfere with a Club's obligation to pay a player deferred compensation earned under a prior Player Contract.

(d) During the period any Salary Cap is in effect, in addition to any rights a Club may presently have under the NFL Player Contract, any Player Contract may be terminated if, in the Club's opinion, the player being terminated is anticipated to make less of a contribution to the Club's ability to compete on the playing field than another player or players whom the Club intends to sign or attempt to sign, or another player or players who is or are already on the roster of such Club, and for whom the Club needs Room. This paragraph shall not affect any Club or Club Affiliate's obligation to pay a player any guaranteed consideration.

Section 6. Commissioner Disapproval: If the Commissioner disapproves a Player Contract for any reason, he must inform the NFLPA in writing of the reasons therefore by noon on the date following such disapproval.

*[I]n the event the Commissioner disapproves any Player Contract as being in violation of the Salary Cap or Entering Player Pool, or any other provision of the Settlement Agreement or corresponding provision of the CBA, the filing of an appeal of such disapproval pursuant to Article XV, Paragraph 5 or Article XXII, Paragraph 1 of the Settlement Agreement, or Article XXV, Section 5 or Article XXVI, Section 1 of the CBA, shall automatically stay the Commissioner's disapproval, and the player shall continue to be free to practice and play for the Club, until the Special Master (or the District Court acting in lieu of the Special Master) issues its ruling. Provided, however, that in the event such Special Master appeal is filed within one week of or after the first scheduled regular season game of the Club: (i) the appeal shall be conducted in an expedited manner and shall be concluded within five days of the filing date of such appeal; and (ii) the Special Master shall issue his ruling by the end of such five day period. Provided, further, that, in the event the appeal is filed after the Club's first preseason game, but before the date one week before the Club's first scheduled regular season game: (i) the appeal shall be conducted in an expedited manner and shall be concluded within ten days of the filing date of such appeal; and (ii) the Special Master shall issue his ruling by the end of such ten day period. If there is no ruling by the end of the periods prescribed in the preceding two sentences, or, for earlier filed appeals, by the day following the Club's third preseason game, the automatic stay

shall be dissolved. If the Commissioner disapproves a Player Contract for any of the reasons stated above on a second occasion for the same player during a given League Year, and determines that such player should not be able to play, there shall be no stay of such disapproval pursuant to this agreement, unless it is determined that the Commissioner's second disapproval is arbitrary or capricious. This agreement shall not prejudice or affect in any way, or constitute a waiver with respect to, any rights of class members to seek a stay or injunctive relief before the District Court, pursuant to the Federal Rules of Civil Procedure; nor shall it prejudice or affect in any way the rights of the NFL to oppose, or the arguments of the NFL in opposition, to such a stay.

*Side Letter 1/18/94: Sec. 2

Section 7. NFLPA Group Licensing Program: The NFL Player Contract shall include, solely for the administrative convenience and benefit of the player and the NFLPA, the provision set forth in paragraph 4(b) of Appendix C, regarding the NFLPA Group Licensing Program. Neither the League nor any Club is a party to, or a beneficiary of, the terms of that provision.

Section 8. Good Faith Negotiation: In addition to complying with specific provisions in this Agreement, any Club or player engaged in negotiations for a Player Contract (including any Club extending, and any player receiving, a Required Tender) is under an obligation to negotiate in good faith.

* The parties hereby agree that pursuant to Article 14, Section 8 of the Collective Bargaining Agreement, a Club extending a Required Tender must, for so long as that Tender is extended, have a good faith intention to employ the player receiving the Tender at the Tender compensation level during the upcoming season. It shall be deemed to be a violation of this provision if, while the tender is outstanding, a Club insists that such a player agree to a Player Contract at a compensation level during the upcoming season below that of the Required Tender amount. The foregoing shall not affect any rights that a Club may have under the Player Contract, under the CBA, or under the Stipulation and Settlement Agreement, including but not limited to the right to terminate the contract, renegotiate the contract, or to trade the player if such termination, renegotiation, or trade is otherwise permitted by the Player Contract, CBA, or Stipulation and Settlement Agreement.

*Side Letter 3/3/97: Sec. 1

ARTICLE XV OPTION CLAUSE

Section 1. Prohibition: Commencing with the execution of this Agreement, the option clause contained in the NFL Player Contract shall be discontinued. Any option clause must be negotiated as a separate addendum to the revised NFL Player Contract form. Any negotiated option clause must state the dollar amount(s) to be paid to the player during the option year.

Section 2. Existing Option Clauses: If any option clause contained in an NFL Player Contract in existence at the time of the execution of this Agreement is exercised by the Club, it shall be at the rate of salary specified. The player will also receive 100% of performance bonus provisions where the bonus is earned in the option year.

ARTICLE XVI COLLEGE DRAFT

Section 1. Time of Draft: Commencing with the 1993 Annual Selection Meeting (the "College Draft" or "Draft"), and with respect to the Draft to be held each League Year thereafter during the term of this Agreement, as well as the Draft to be held in the League Year immediately following the expiration or termination of this Agreement, and the subsequent implementation of each such Draft during the applicable League Year, the following rules shall apply:

Section 2. Number of Choices: The Draft shall consist of seven rounds, with each round consisting of the same number of selection choices as there will be Clubs in the NFL the following League Year, plus a maximum number of additional Compensatory Draft Selections equal to the number of Clubs then in the League, with such Compensatory Draft Selections reserved for Clubs losing certain Unrestricted Free Agents. Each Draft shall be held between February 14 and May 2, on a date which shall be determined by the Commissioner.

Section 3. Required Tender: A Club that drafts a player shall be deemed to have automatically tendered the player a one year NFL Player Contract for the Minimum Active/Inactive List Salary then applicable to the player pursuant to the terms of this Agreement. The NFL or the Club shall provide the player with notice of such Required Tender before or immediately following the Draft.

Section 4. Signing of Drafted Rookies:

(a) A drafted player may accept the Required Tender at any time up to and including the Tuesday following the tenth week of the regular season immediately following the Draft, at 4:00 p.m. New York time. In the event the exclusive negotiating rights to the drafted player are assigned to another Club through the NFL waiver system, the acquiring Club must immediately extend the Required Tender following assignment. If released through waivers, the player shall be treated as an Undrafted Rookie Free Agent, with the right to sign an NFL Player Contract with any Club. If the Club that drafted the player signs the player after he is waived and becomes a Rookie Free Agent, the player's entire salary shall be counted against the Entering Player Pool, in the manner described in Article XVII (Entering Player Pool).

(b) If a Drafted Rookie has not signed a Player Contract during the period from the date of such Draft to the thirtieth day prior to the beginning of the regular season: (i) the Club that drafted the player may not thereafter trade to another Club either its exclusive negotiating rights to such player or any Player Contract that it signs with such player for the play-

er's initial League Year; and (ii) the Club that drafted the player is the only Club with which the player may sign a Player Contract until the day of the Draft in the subsequent League Year, at which time such player is eligible to be drafted in the subsequent League Year's Draft by any Club except the Club that drafted him in the initial Draft. (After the Tuesday following the tenth week of the regular season, the player and the Club may only sign a Player Contract for future League Year(s)).

(c) If a Drafted Rookie has not signed a Player Contract by the Tuesday following the tenth week of the regular season, at 4:00 p.m. New York time, the player shall be prohibited from playing football in the NFL for the remainder of that League Year, absent a showing to the Impartial Arbitrator of extreme Club or extreme personal hardship. The determination of the Impartial Arbitrator shall be made within five days of the application, and shall be based upon all information relating to such hardship submitted by such date. The determination of the Impartial Arbitrator shall be final and binding upon all parties.

Section 5. Other Professional Teams:

(a) Notwithstanding Section 4(b) above, if a player is drafted by a Club and, during the period between the Draft and the next annual Draft, signs a contract with, plays for or is employed by a professional football team not in the NFL during all or any part of the 12 month period following the initial Draft, then the drafting Club (or any assignee Club) shall retain the exclusive NFL rights to negotiate for and sign a contract with the player until the day of the Draft three League Years after the initial Draft, and shall thereafter have a Right of First Refusal as described herein, and the player may receive offers from any Club at any time thereafter. The player shall notify the NFLPA and the NFL of his desire to sign a contract with an NFL Club, and of the date on which the player will be free of his other contractual obligations of employment, if any. Within thirty days of receipt of such notice by the NFL or the date of the availability of such player, whichever is later, the NFL Club that drafted the player must tender a one year written Player Contract to the player in order to retain its rights to that player, as detailed below.

(b) For a player to whom the drafting Club retains the exclusive NFL rights to negotiate pursuant to Section 4(a) above, the Club must tender a one year Player Contract with salary of at least the Minimum Active/Inactive List Salary for players with less than one credited season, as defined in Article XVIII (Veterans With Less Than Three Accrued Seasons), Section 3, within the thirty day period specified in subsection (a) above. The amount of such tender and/or any Player Contract entered into with the player shall be subject to the Entering Player Pool, as set forth in Article XVII (Entering Player Pool). If the player is released through waivers, the player immediately becomes a Free Agent, with the right to sign an NFL Player Contract with any Club, and any Club is then free to negotiate for and sign a Player

Contract with such player, without any Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

(c) For players with respect to whom the drafting Club retains a Right of First Refusal pursuant to this Section 5, during each League Year the player shall be treated as if he were a Restricted Free Agent not subject to Draft Choice Compensation, as described in Article XIX (Veteran Free Agency), Section 2, except as otherwise set forth in this Section 5. For such players subject to a Right of First Refusal, the Club must tender a one year Player Contract with at least the Minimum Active/Inactive List Salary for players with two or more Credited Seasons, as defined in Article XVIII (Veterans With Less Than Three Accrued Seasons), Section 3, within the thirty day period specified in subsection (a) above. The amount of such tender and/or any Player Contract entered into with the player shall not be subject to the Entering Player Pool. If the Club does not make or withdraws the Required Tender, the player immediately becomes a Rookie Free Agent, with the right to negotiate and sign a Player Contract with any Club, and any Club is then free to negotiate for and sign a Player Contract with such player, without any Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

(d) *[no longer applicable]*

Section 6. Return to College: If any college football player who becomes eligible for the Draft prior to exhausting his college football eligibility through participation is drafted by an NFL Club, and returns to college, the drafting Club's exclusive right to negotiate and sign a Player Contract with such player shall continue through the date of the Draft that follows the last season in which the player was eligible to participate in college football, and thereafter the player shall be treated and the Club shall have such exclusive rights as if he were drafted in such Draft by such Club (or assignee Club).

Section 7. Assignment of Draft Rights: In the event that the exclusive right to negotiate for a Drafted Rookie under Sections 4, 5 or 6 above is assigned from one Club to another Club, the Club to which such right has been assigned shall have the same, but no greater, right to such player, including the Right of First Refusal described in Section 5, as would the Club assigning such right, and such player shall have the same, but no greater, obligation to the NFL Club to which such right has been assigned as he had to the Club assigning such right.

Section 8. Subsequent Draft: A Club that, in a subsequent Draft, drafts a player who (a) was selected in an initial Draft, and (b) did not sign a contract with the NFL Club that drafted him or with any assignee Club during the signing period set forth in Sections 4 through 6 above, shall, during the period from the date of the subsequent Draft to the date of the Draft held the subsequent League Year, be the only NFL Club that may negotiate with

or sign a Player Contract with such player. If such player has not signed a Player Contract within the period beginning on the date of the subsequent Draft and ending on the thirtieth day prior to the beginning of the regular season, the Club loses all rights to trade its exclusive negotiating rights to such player or any Player Contract that it signs with such player for the player's initial League Year. After the Tuesday following the tenth week of the regular season, the player and the Club may only sign a Player Contract for future League Year(s), except as provided in Section 4(c) above. If the player has not signed a Player Contract by the day of the next annual College Draft following the subsequent Draft, the player immediately becomes a Rookie Free Agent, with the right to negotiate and sign a Player Contract with any Club, and any Club is then free to negotiate for and sign a Player Contract with such player, without any Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

Section 9. No Subsequent Draft: If a player is drafted by a Club in an initial Draft and (a) does not sign a contract with a Club during the signing period set forth in Sections 4 through 6 above, and (b) is not drafted by any Club in the subsequent Draft, the player immediately becomes an Undrafted Rookie, with the right to negotiate and sign a Player Contract with any Club, and any Club is then free to negotiate for and sign a Player Contract with such player, without any Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

Section 10. Compensatory Draft Selections: The rules and procedures regarding Compensatory Draft Selections set forth in Section 2 above shall be as agreed upon by the NFL and the NFLPA.

Section 11. Undrafted Rookies: Any person who has not been selected by a Club in a College Draft shall be free, after the completion of a College Draft for which he is eligible, to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with any such person after such date, without any penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind.

Section 12. Notice of Signing: Promptly following but no later than two business days after receipt of notice of the signing of any Drafted or Undrafted Rookie, the NFL shall notify the NFLPA of such signing.

Section 13. Workouts of Draft-Eligible Players: In order to encourage fair competition among all Draft-eligible players who were invited to the NFL Scouting Combine, and to discourage any unfair advantages from individual workouts of such players, Clubs are prohibited from attending or conducting, directly or indirectly, any workouts of any Draft-eligible player(s)

Article XVI, College Draft

who were invited to, and were not excused from (because of medical or other reasons) attending or participating fully in workouts at, the NFL Scouting Combine.

ARTICLE XVII ENTERING PLAYER POOL

Section 1. Definition: For purposes of this Article XVII of this Agreement, the following terms shall have the meanings set forth below:

(a) "Entering Player Pool" means the League-wide limit on the total amount of Salary to which all of the NFL Clubs may contract for in signing Drafted Rookies (and certain amounts contracted to be paid to Undrafted Rookies as described below) during each League Year of this Agreement, as set forth below.

(b) Salary shall be defined and calculated in the same manner as set forth in Article XXIV (Guaranteed League-wide Salary, Salary Cap & Minimum Team Salary). In the event a Rookie who is subject to the Entering Player Pool signs a Player Contract after the commencement of the regular season, the Club must have Room under its Rookie Allocation for the entire Paragraph 5 amount of the contract.

Section 2. Covered League Years: The Entering Player Pool will be in effect in all League Years, except as set forth below. The NFL may remove the Entering Player Pool at its option in any Uncapped Year, by notice to the NFLPA at least 60 days prior to the scheduled date of the Draft that League Year. Further, in any Capped Year, the NFL may remove the Pool, by notice to the NFLPA at least 60 days prior to the scheduled date of the Draft that League Year, but to the extent that any Club spends more than its Rookie Allocation in that League Year, the Club will pay an equivalent number of dollars to its Veteran players pursuant to reasonable allocation instructions by the NFLPA.

Section 3. Calculation:

(a) For the 2002-03 League Years, the Entering Player Pool shall consist on a League-wide basis of the amount of the Entering Player Pool for the immediately preceding League Year (excluding any formula allotments attributable to any Compensatory Draft Selections). For the 2004-07 League Years, the Entering Player Pool shall consist on a League-wide basis of the amount of the Entering Player Pool for the immediately preceding League Year (excluding any formula allotments attributable to any Compensatory Draft Selections), increased by the same percentage as the increase in Projected DGR for that League Year over the prior year's DGR (as defined in Article XXIV (Guaranteed League-wide Salary, Salary Cap & Minimum Team Salary)), up to a maximum of five percent (5%) per season, but shall not in any event decrease in actual amount from League Year to League Year. Notwithstanding the foregoing, to the extent there are Compensatory Draft Selections as a result of Article XVI (College Draft), Section 2 and/or Article XX (Franchise and Transition Players), Section 13, the Entering Player Pool shall be in-

Article XVII, Entering Player Pool

created in accordance with subsection (c) below and as otherwise agreed upon by the NFL and the NFLPA.

** Extension Agreement 1/8/02*

(b) For each League Year of this Agreement, each Club shall have a Rookie Allocation, which shall be its proportional share of the Entering Player Pool, calculated based on the number, round, and position of the Club's selection choices in the Draft. The Rookie Allocation formula shall be agreed upon by the NFL and the NFLPA and shall remain in effect for the duration of the Agreement, unless the NFL and the NFLPA otherwise agree.

(c) If, pursuant to Article XVI (College Draft), Section 2 and/or Article XX (Franchise and Transition Players), Section 13, a Club has one or more Compensatory Draft Selections, an amount shall be added to that Club's Rookie Allocation, and to the Entering Player Pool (notwithstanding subsection (b) above), based upon the amount allotted to selection choices of that round and position in calculating the Rookie Allocation (the "Formula Allotment"). In the event that a Club signs a Player Contract with a Drafted Rookie who was drafted in a prior League Year, an additional amount shall be added to that Club's Rookie Allocation, and to the Entering Player Pool (notwithstanding subsection (b) above), equal to the lower of the Club's original Formula Allotment for such draft choice or the amount of unused Room under the Club's Rookie Allocation during the League Year in which the player was originally drafted.

(d) Notwithstanding the above, nothing shall prevent the Club from signing a player for an amount in excess of the player's Formula Allotment, if the Club has Room available under its Rookie Allocation.

(e) In the event that the NFL holds a supplemental draft in addition to its annual Draft in advance of the next League Year's Draft, adjustments shall be made to the Entering Player Pool and Rookie Allocation in a manner to be agreed upon by the NFL and the NFLPA.

(f) *In any League Year in which one or more expansion Teams enter the League, the amount of the Entering Player Pool shall be increased to account for the draft selections of any such expansion Teams. This additional amount shall not be deducted from the calculation of the Performance-Based Pool provided for in Article XXXVIII-B, Section 1(b).*

** Extension Agreement 1/8/02*

**In the event the NFL holds a supplemental draft in addition to its annual College Draft in advance of the following League Year's College Draft, there shall be added to each selecting Club's Rookie Allocation, and (cumulatively, if more than one selecting Club) to the Entering Player Pool for that League Year, an amount equal to the Formula Allotment for the corresponding choice(s) in*

that League Year's College Draft. In the subsequent League Year, after Formula Allotments have been established for each selection position in the College Draft, the amount of the Formula Allotment(s) for the selections used in the prior year's supplemental draft shall be deducted from the Club's Rookie Allocation. See Article XVII, Sec. 3 (e) of the CBA.

Example: If Team A selects a player in a supplemental draft with the first choice in the third round, Team A's Rookie Allocation for that League Year shall be increased by an amount equal to the Formula Allotment for the first choice in the third round of that year's College Draft. An amount equal to the Formula Allotment for the first choice in the third round of the prior League Year's Draft shall be eliminated from the subsequent League Year's Entering Player Pool, in that Club's Rookie Allocation, but all other Rookie Allocations remain the same.

*Side Letter 5/24/95

Section 4. Operation:

(a) No Club may enter into Player Contracts with Drafted Rookies that, standing alone or in the aggregate, provide for Salaries in the first League Year of such Player contracts that would exceed the Club's Rookie Allocation for that year.

(b) For the purposes of this Article XVII, the Salary of any Undrafted Rookie shall count toward the Club's Rookie Allocation only to the extent that it exceeds the then applicable Minimum Active/Inactive List Salary for that player.

(c) In the event that a Draft selection is assigned to another Club prior to completion of the Draft, the amount of the Formula Allotment for such selection shall be assigned to the Club receiving the selection under the assignment. A Club may not assign the exclusive negotiating rights to a Drafted Player to another Club if such New Club does not have Room under its Rookie Allocation equal to at least the original Formula Allotment for the player, unless the player consents to such assignment.

(d) (i) If a Drafted Player is placed on waivers, the player's Formula Allotment remains with the Club that requested waivers on him, and the assignee Club must have Room or make Room under its Rookie Allocation to make the Required Tender to the player.

(ii) If a Club requests waivers on a Drafted Rookie and that player is released via waivers, the requesting Club can sign that player to a Player Contract during that League Year only if the Club has Room under its Rookie Allocation equal to the full Salary contracted for in that League Year.

(e) No Player Contract signed by a Rookie may provide for an annual increase in Salary of more than 25% of the contract's first League Year

Article XVII, Entering Player Pool

Salary, unless such Player Contract provides for Salary which is equal to the then applicable Minimum Salary for each League Year of the contract. For the purposes of the calculation in this section only, any amount of a signing bonus attributed to the player's Salary shall not be counted.

* If a Rookie contracts with a Club for the minimum workout payments set forth in Article XXXV, for his second or subsequent season, such payments shall not be included for the purposes of the 25% calculation under Article XVII, Section 4(e). If a Rookie contracts with a Club for a workout payment in excess of the minimum, such excess amount shall be included for the purposes of the 25% calculation under Article XVII, Section 4(e). In all cases, a workout payment shall count toward Team Salary and a Team's Rookie Allocation.

*Side Letter 6/23/93: Sec. 1

* Any amount which a Club may pay to a player to buy out a right the player has or may have to terminate one or more contract years shall be treated as signing bonus at the time the buyout is exercised by the Club, and prorated at that time over the remaining term of the contract, including the current League Year, if the right to terminate and/or the right to buyout is based upon one or more incentives that are not "likely to be earned." Such a buyout amount shall not be included in any calculation for purposes of the 25% Rule for Rookies, set forth in Article XVII, Section 4(e) of the CBA, and/or the 30% Rule, set forth in Article XXIV, Section 8 of the CBA.

*Side Letter 10/21/96: Sec. 3(a)

* The parties acknowledge that Class Counsel together with the NFLPA, and the NFL Management Council, disagree as to the treatment of allocated signing bonus and buyout payments when a player's right to terminate one or more contract years and/or the Club's right to buyout is based upon one or more incentives that are "likely to be earned," and not upon any incentives that are not "likely to be earned." These issues are expressly left open. Except to enforce the terms of this paragraph [and the one preceding], the terms of [both these] paragraph[s]...may not be referred to or used by any of the parties in any proceeding, or otherwise, and the parties otherwise reserve all of their rights with respect to the subject of this paragraph.

Article XVII, Entering Player Pool

*Side Letter 10/21/96: Sec. 3(b)

* Any amount specified to be paid for the exercise of an option by a Club to extend the term of a Player Contract shall be treated as signing bonus, prorated over the remaining term of the contract commencing in the League Year in which it is exercised or the last League Year in which the option may be exercised, whichever comes first. Such an option amount shall, immediately upon execution of the contract, renegotiation or extension, be included in any calculation for purposes of the 25% Rule for Rookies, set forth in Article XVII, Section 4(e) of the CBA, and/or the 30% Rule, set forth in Article XXIV, Section 8 of the CBA, prorated over the remaining term of the contract commencing in the last League Year in which the option may be exercised. Notwithstanding the foregoing: (i) if a Club renounces its right to exercise the option, the option amount shall not be included in Team Salary as of the date of such renunciation; and (ii) if the club does not renounce, but nonetheless does not exercise the option, the full amount of the option amount previously counted against Team Salary shall be credited to the Club's Salary Cap in the next League Year.

*Side Letter 10/21/96: Sec. 4

(f) The Player Contract of a Drafted Rookie or Undrafted Rookie may not be renegotiated for a one (1) year period following the date of the initial signing of such Player Contract, or until August 1 of the following League Year, whichever is later.

(g) Nothing in this Agreement is intended to or shall be construed to mean that any Rookie's Salary is predetermined by any Allocation or Formula Allotment.

(h) The list of each Formula Allotment attributed to each draft selection shall be agreed to by the NFL and the NFLPA, and shall not be disclosed to Clubs, Players, Player Agents or the public.

* For purposes of the Entering Player Pool and a Team's Rookie Allocation, amounts contracted to be paid to Drafted Rookies, and amounts in excess of the applicable Minimum Active/Inactive List Salary contracted to be paid to Undrafted Rookies pursuant to Article XVII, Section 4, shall be counted against the Entering Player Pool and a Team's Rookie Allocation, whether or not the amounts are actually paid, in the manner otherwise specified in the CBA.

*Side Letter 6/23/93: Sec. 7

Article XVII, Entering Player Pool

* [I]n League Years for which no Salary Cap is in effect, 85% of any amount contracted by a Team to be paid from the Team's Rookie Allocation to a Rookie, but not actually paid by the Team to that player, either as a rookie, or as a re-signed first year player or practice squad player, which amount was not paid because that player was released, will be distributed to all rookies on such Team promptly after the end of the season on a pro rata basis based upon the number of downs played.

*Side Letter 6/23/93

* [I]f a Club has a Rookie Orientation Program apart from its allowable mini camp(s) and prior to its training camp, the following categories of per player reimbursements or payments will not be counted against the Entering Player Pool:

(1) One Round Trip Airline Ticket or its cash equivalent from the player's place of residence to the Club city and back, not to exceed \$750.

(2) Room and Board of up to \$100 per day or its equivalent, up to a maximum of 60 days.

(3) Ground transportation to and from the player's place of residence in the club's city to the club's facility.

Any amounts in excess of the above reimbursements or payments will count against the Entering Player Pool.

*Side Letter 8/4/93: Sec. 1 as amended, Side Letter 5/13/99

* The above reimbursements or payments for Rookie Orientation Programs will not be considered Player Costs during the term of this Agreement. The parties reserve their respective rights and arguments with respect to whether any amounts in excess of the above reimbursements or payments do or do not qualify as Player Costs under the Agreement.

*Side Letter 8/4/93: Sec. 2

* Costs associated with the Rookie Orientation Programs will be evaluated by the NFLPA, Class Counsel, and the NFLMC each year to determine if adjustment, with respect to the Entering Player Pool, is appropriate.

*Side Letter 8/4/93: Sec. 3

**See Pages 110-129 for Rookie "Likely To Be Earned" Incentives. Article XXIV, Section 7(c).

ARTICLE XVIII VETERANS WITH LESS THAN THREE ACCRUED SEASONS

Section 1. Accrued Seasons Calculation:

(a) For the purposes of calculating Accrued Seasons under this Agreement, a player shall receive one Accrued Season for each season during which he was on, or should have been on, full pay status for a total of six or more regular season games, but which, irrespective of the player's pay status, shall not include games for which the player was on: (i) the Exempt Commissioner Permission List, (ii) the Reserve PUP List as a result of a non-football injury, or (iii) a Club's Practice or Development Squad.

(b) For the purposes of calculating Accrued Seasons under this Agreement, for any League Year during the term of this Agreement, a player shall not receive an Accrued Season for any League Year in which the player is under contract to a Club and in which he failed to report to such Club at least thirty days prior to the first regular season game of that season, or in which the player thereafter failed to perform his contract services for the Club for a material period of time, unless he demonstrates to the Impartial Arbitrator extreme personal hardship causing such failure to report or perform, such as severe illness or death in the family. The determination of the Impartial Arbitrator shall be made within thirty days of the application by the player, and shall be based upon all information relating to such hardship submitted by such date. The determination of the Impartial Arbitrator shall be final and binding upon all parties.

Section 2. Negotiating Rights of Players with Less Than Three Accrued Seasons: Any Veteran with less than three Accrued Seasons whose contract has expired may negotiate or sign a Player Contract only with his Prior Club, if on or before March 1 his Prior Club tenders the player a one year Player Contract with a Paragraph 5 Salary of at least the Minimum Active/Inactive List Salary applicable to that player. If the Prior Club has not by that date made the Required Tender or later withdraws such tender, the player shall be completely free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with such player, without any penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

Section 3. Notice of Signing: Promptly upon but no later than two business days after the signing of any Veteran with less than three Accrued Seasons to a Player Contract, the signing Club shall notify the NFL, which shall notify the NFLPA of such signing.

ARTICLE XIX VETERAN FREE AGENCY

Section 1. Unrestricted Free Agents:

(a) Subject to the provisions of Article XX (Franchise and Transition Players), any player with five or more Accrued Seasons, or with four or more Accrued Seasons in any Capped Year, shall, at the expiration of his Player Contract, become an Unrestricted Free Agent. Such player shall be completely free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with such player, without penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind, subject to the signing period set forth below.

(b) Signing Period.

(i) In the event that an Unrestricted Free Agent has not signed a Player Contract with a Club by July 22 or the first scheduled day of the first NFL training camp, whichever is later, in the League Year following the expiration of his last Player Contract, he may negotiate or sign a Player Contract from July 22 until the Tuesday following the tenth week of the regular season, at 4:00 p.m. New York time, only with his Prior Club, provided that the Prior Club by June 1 has tendered to the player a one year Player Contract of at least 110% of either (a) his Prior Year Salary (if his expiring Player Contract is not a Player Contract he entered into as a Rookie), or (b) his Paragraph 5 Salary (if his expiring Player Contract is a Player Contract he entered into as a Rookie, without renegotiation), in each case with all other terms of his contract identical to his prior year's contract. For the purposes of this subsection, "Prior Year Salary" means the total of the Paragraph 5 Salary, roster and reporting bonuses, pro-rata portion of signing bonus, and other payments to players in compensation for the playing of professional football for the last year of the player's most recently negotiated Player Contract, except for performance bonuses other than roster and reporting bonuses. Prior Year Salary shall also include any unrepaid loans made, guaranteed or collateralized by a Team or its Team Affiliate to a player or Player Affiliate during or after the 1993 League Year.

** Side Letter 1/22/01*

(ii) If an Unrestricted Free Agent described in subparagraph (b)(i) above has not signed a Player Contract by the Tuesday following the tenth week of the regular season, at 4:00 p.m. New York time, the player shall be prohibited from playing football in the NFL for the remainder of that League Year, absent a showing to the Impartial Arbitrator of extreme Club or extreme personal hardship. The determination of the Impartial Arbitrator shall be made within five days of the application and shall be based upon all information relating to such hardship submitted by such date. The determination of the Impartial Arbitrator shall be final and binding upon all parties.

Article XIX, Veteran Free Agency

(iii) If an Unrestricted Free Agent does not play in the NFL for the remainder of a League Year pursuant to subparagraph (b)(ii) above, commencing the first day of the following League Year, the player shall be free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with such player, without penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

(c) In the event that an Unrestricted Free Agent has not signed a Player Contract with a Club by June 1 of the League Year following the expiration of his last Player Contract, and if his Prior Club has not by that date tendered to the player a one year Player Contract in accordance with the requirements of subparagraph (b)(i) above, or has withdrawn the tender, the player shall continue to be an Unrestricted Free Agent and shall be completely free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with such player, without any penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

(d) An Unrestricted Free Agent shall not be subject to any limitations on the period of time before which he may qualify as an Unrestricted Free Agent again, or to any limitations on the number of times he may be an Unrestricted Free Agent.

(e) Promptly upon but no later than two business days after the signing of any Unrestricted Free Agent to a Player Contract, the signing Club shall notify the NFL, which shall notify the NFLPA of such signing.

**See Pages 41-42, Article XIV, Section 5(a) for Side Letter of 5/24/95, Section 13 and Side Letter of 3/3/97, Section 2 re: Notice of Signing.

**See Page 44, Article XIV, Section 8 for Side Letter of 3/3/97, Section 1 re: Good Faith of Required Tender.

Section 2. Restricted Free Agents:

(a) Any Veteran player with three or more Accrued Seasons, but less than five Accrued Seasons (or less than four Accrued Seasons in any Capped Year), shall, at the expiration of his last Player Contract during such period, become a Restricted Free Agent. Any such player shall be completely free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with any such player, subject to the restrictions set forth in this Article.

(b) In order to receive the following specified Rights of First Refusal and/or Draft Choice Compensation with respect to a Restricted Free Agent, the Prior Club of a Restricted Free Agent must tender the player a Qualifying Offer on or before the first date of the Restricted Free Agent Signing Period,

as follows:

(i) For Restricted Free Agents with three Accrued Seasons:

(1) Right of First Refusal: one year Player Contract with Paragraph 5 Salary of at least \$275,000;

(2) Right of First Refusal and Draft Selection at Player's Original Draft Round: one year Player Contract with a Paragraph 5 Salary of at least (a) \$275,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged (this subsection is subject to the rules of subsection (c) below);

(3) Right of First Refusal and One First Round Draft Selection: one year Player Contract with a Paragraph 5 Salary of at least (a) \$600,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged;

(4) Right of First Refusal, One First Round Draft Selection, and One Third Round Draft Selection: one year Player Contract with a Paragraph 5 Salary of at least (a) \$800,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged;

(ii) For Restricted Free Agents with four Accrued Seasons (in Uncapped Years):

(1) Right of First Refusal: one year Player Contract with Paragraph 5 Salary of at least \$325,000;

(2) Right of First Refusal and Draft Selection at Player's Original Draft Round: one year Player Contract with a Paragraph 5 Salary of at least (a) \$325,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged (this subsection is subject to the rules of subsection (c) below);

(3) Right of First Refusal and One First Round Draft Selection: one year Player Contract with a Paragraph 5 Salary of at least (a) \$700,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged; and

(4) Right of First Refusal, One First Round Draft Selection, and One Third Round Draft Selection: one year Player Contract with Paragraph 5 Salary of at least (a) \$900,000, or (b) 110% of the player's prior year's Paragraph 5 Salary, whichever is greater; in addition, if option (b) applies, all other terms of the player's prior year contract are carried forward unchanged.

(c) Notwithstanding subparagraphs 2(b)(i) and 2(b)(ii) above, in the event that a Prior Club tenders any of its Restricted Free Agents originally selected in a draft round lower than the first round a Qualifying Offer

that requires Draft Choice Compensation of one first round selection (the "Upgraded Tender"), the Prior Club shall only be eligible to receive Draft Choice Compensation of one second round selection for any of its Restricted Free Agents originally selected in the first round of the Draft, unless such Restricted Free Agents have each received a Qualifying Offer of at least the amount of the Upgraded Tender.

(d) Notwithstanding subsections 2(b)(i) and 2(b)(ii) above, in the event that the player was originally selected in a draft round after the seventh round, a Qualifying Offer in the amount required to obtain a Right of First Refusal and Draft Choice Compensation at the Player's original Draft Round shall entitle a Club only to a Right of First Refusal for such player.

(e) The amounts of the Qualifying Offers specified in this paragraph (\$275,000, \$325,000, \$600,000, \$700,000, \$800,000 and \$900,000) shall increase each League Year following the 1993 League Year by the same percentage as the increase in Projected DGR over the prior League Year's DGR (as defined in Article XXIV), up to a maximum of ten percent (10%) per League Year, but shall not in any event decrease in actual amount from League Year to League Year. Notwithstanding the foregoing, in no event shall Qualifying Offer amounts increase if the projected DGR for the League Year in question is not greater than the highest DGR of any previous League Year.

(f) A Restricted Free Agent shall have the option of accepting a one year NFL Player Contract for 110% of his Prior Year Paragraph 5 Salary (with all other terms of his prior year contract carried forward unchanged) in lieu of a Player Contract for the applicable alternative amount specified in this paragraph, if he so wishes, regardless of which Player Contract is for a greater amount.

(g) In the event a Prior Club withdraws its Qualifying Offer, the Restricted Free Agent shall immediately become an Unrestricted Free Agent and shall be completely free to negotiate and sign a Player Contract with any Club, and any Club shall be completely free to negotiate and sign a Player Contract with any such player, without being subject to First Refusal, Draft Choice Compensation, Signing Period, or any other limitation of any kind.

** See Page 44, Article XIV, Section 8 for Side Letter of 3/3/97, Section 1 re: Good Faith of Required Tender.

(h) **Signing Period.** *The dates of the period in which Restricted Free Agents shall be free to negotiate and sign a Player Contract with any Club (the "Signing Period") shall be agreed upon by the NFL and the NFLPA by the previous September 1, but in no event may such Signing Period be less than a period of forty-five days, unless the parties agree otherwise.*

* Side Letter 1/22/01

(i) (i) In the event that a Restricted Free Agent has not signed a Player Contract with a Club within the Signing Period in the League Year following the expiration of his last Player Contract, and if the Prior Club by June 1 tenders to the Restricted Free Agent a one year Player Contract of at least 110% of his Paragraph 5 Salary (with all other terms of his prior year contract carried forward unchanged) or extends the player's Qualifying Offer, whichever is greater (the "June 1 Tender"), the Prior Club shall be the only Club with which the player may negotiate or sign a Player Contract during the period from June 1 until the Tuesday following the tenth week of the regular season, at 4:00 p.m. New York time. If the player's Qualifying Offer is greater than 110% of the player's Paragraph 5 Salary (with all other terms of his prior year contract carried forward unchanged), the Club may withdraw the Qualifying Offer on June 15 and retain its rights under the preceding sentence, so long as the Club immediately tenders the player a one year Player Contract of at least 110% of his Paragraph 5 Salary (with all other terms of his prior year contract carried forward unchanged) (the "June 15 Tender").

(ii) If a Restricted Free Agent described in subsection (i)(i) above has not signed a Player Contract by the Tuesday following the tenth week of the regular season, at 4:00 p.m. New York time, the player shall not play football in the NFL for the remainder of that League Year, absent a showing to the Impartial Arbitrator of extreme Club or extreme personal hardship. The determination of the Impartial Arbitrator shall be made within five days of the application, and shall consider all information relating to such hardship submitted by such date. The determination of the Impartial Arbitrator shall be final and binding upon all parties.

(iii) If a Restricted Free Agent does not play in the NFL in a League Year, his Prior Team shall have the right to tender such player any Qualifying Offer consistent with Section 2(b) prior to the next League Year's Restricted Free Agent Signing Period. In the event such a Qualifying Offer is tendered, the Prior Team shall have the applicable rights regarding such player according to such tender, and such player shall have the same rights regarding negotiations with other Clubs as he had the previous League Year.

(j) In the event that a Restricted Free Agent has not signed a Player Contract with a Club by June 1 in the League Year following the expiration of his last Player Contract, and if his Prior Club has not by that date made the applicable June 1 Tender to such player, or withdraws the tender, or in the event the Club has withdrawn the applicable June 15 Tender, the player shall be completely free to negotiate and sign a Player Contract with any Club, and any Club may negotiate and sign a Player Contract with such player, without any penalty or restriction, including, but not limited to, Draft Choice Compensation between Clubs or First Refusal Rights of any kind, or any signing period.

(k) Promptly upon but no later than two business days after the signing of any Restricted Free Agent to a Player Contract, or the extending
